

Independent Auditors Report – Blue Trading

Prepared on 1st Dec 2018

To Whom it May Concern:

The raw performance data of BLUE TRADING (<http://bluetrading.com>) has been examined by ChaTal Accountants Inc. for the periods of the calendar years of 2015, 2016, 2017 and 2018. It is our responsibility to express an opinion on the numbers being factually reported in all brokerage statements. All examinations were conducted under strict accordance with International Accounting Standards. This includes examining all data points we consider necessary to the performance details referenced below. We believe our examination provides reasonable basis for our opinion and is accurate.

In the interest of full disclosure, it is impossible for this firm to determine if every participant of this program experienced the exact same results due to unique trading environments based on trading account size, etc.

The details on the following page(s) represent the full performance data for the funds system(s) from inception to the date of this letter.

This report is intended solely for Blue Trading, and prospective clients who have received this document from authorised introducers of this firm.

Kind Regards

Director - Charles Siweya CA (SA)
